

The Master of the Florida District, 4th Degree Knights of Columbus, announces a great new way to help support our VAVS (Veterans Assistance) program and also get a wonderful commemorative memento of the Knighting event - which will take place at the next 4th Degree Exemplification in TAMPA, FLORIDA, on August 14, 2010.

After the conclusion of the Exemplification new Sir Knights, as well as all other interested Sir Knights in regalia, will have the opportunity to have a commemorative photo taken of the Knighting Event. All profits from this program will be placed in the VAVS fund to be used where it is most needed.

The suggested donation is \$10.00 for a photo of the Knighting by a Faithful Navigator or P.F.N. (white cape) officer and \$15.00 for a photo of the Knighting by the Master (Gold Cape) or you can have both photos for \$20.00.

Even if you are already a current Sir Knight you will not want to miss this opportunity to help support the VAVS program and commemorate your Knighting experience. The photographer will also be available for pictures at the Banquet.

See you all in Tampa.

Vivat Jesus,
